### **Sunday the 11 of January 2026**

EBA has Held a meeting with Mr. Ahmed Mounir Ezz Eldin Chairman of China Committee , Mr. Moustafa Ibrahim Vice chairman of China Committee, Dr. Bahieldin Hassan Zaki El Ibrachy Managing Partner - Ibrachy & Dermarkar Law firm (I&D), Mrs Laila Elibrachy Counsel - Ibrachy & Dermarkar Law firm (I&D) , Dr. Mohamed Youssef Executive Director of EBA and Mrs. Dalia Youssef, Division Director of International Relations & Membership Affairs of EBA to discuss priority areas for cooperation during the upcoming phase.

#### **Main Points of Discussion:**

- During the meeting, the Committee agreed to focus on the Vocational Training Project, as a pilot project aiming to develop a pool of well-trained labor equipped with accredited certifications. This initiative is designed to meet the growing demand for skilled workers, particularly to support recruitment needs of the newly established Chinese factories in Egypt.
  
- In parallel, the Committee expressed strong interest in working on an integrated solution for desert industrial parks. This would include exploring comprehensive models that combine infrastructure development, workforce readiness, utilities, logistics, and investor services, with the objective of enhancing the attractiveness, efficiency, and sustainability of these industrial zones for Chinese investors.
  
- In order to further explore the framework, implementation mechanisms, and potential areas of collaboration for both projects, we propose holding a virtual meeting with a small working group representing the China Committee at EBA and CCCME on 3 Feb 2026
