GENKO INTERNATIONAL

Was founded by Giorgos Korontzis. Giorgos, an expert in international business, has participated in various projects in SE Europe and North Africa in the fields of renewables, oil & gas, vehicle manufacturing, construction and real estate.

Giorgos participated in the business delegation which escorted Greece's PM Mr. Antonis Samaras to his official visit in the People's Republic of China in 2013. He has extensive skills in international business and deep knowledge of the Chinese way of doing business.

Giorgos is also a highly experienced real estate professional with more than 17 years of working experience in the real estate market and especially in the fields of infrastructure, capital markets, housing immigration, tourism development and he was a pioneer of the "Golden Visa" program launched in Greece in 2013.
